SSMART

The SSMART Program is designed to save you time, allowing you to spend even more quality time together as a family. At Super Suppers, our goal is to bring families back to the dinner table, one meal at a time. The SSMART Program allows you to make delicious meals for the dinner table, one meal at a time. The SSMART Program is in our studio kitchen and delivered to your child's school.

The SSMART way to feed your family:
Super Suppers
Made with zero trans-fat
As a fundraiser for your school at
Reasonable prices with
Timesaving delivery

Tastefully SSMART!
Julie Byrd, founder of The Culinary School of Fort Worth and Super Suppers, is a well-known chef, mother, and grandmother. Julie expertly designs each Super Suppers recipe with her 30 years of culinary experience. Her team of executive chefs taste test each of the entrees, refining them until they meet Super Suppers' quality standards.

Nutritionally SSMART!
Our on-staff dietitians fine-tune the ingredients in each of the recipes to ensure a healthy balance. All of our entrees contain ZERO trans-fat yet maintain a delicious flavor. Nutritional information for each entree may be found online at www.supersuppers.com.

Intuitively SSMART!
The SSMART Program offers yet another benefit...it acts as a fundraiser for your child's school. Super Suppers will receive an additional \$15 fee for assembly and delivery, which totals \$160 (plus tax). Each entree contains 6 servings, so you can share a smaller family (or smaller entree). Family, we deliver the frozen Super Suppers to your school to be enjoyed throughout the month. With SSMART, you will gain 20 to 30 hours each month to spend with your family, hours that would have been spent planning, shopping, prepping, and cooking.

Conveniently SSMART!
We assemble and deliver the 6 entrees (36 servings) to your child's school at the standard 6-entree price. If you have a smaller family (or smaller entree), simply ask us to split your entrees into 2 smaller entrees. This "split" entree is available for the same price. With an average entree price around \$5.00 per serving, your family, hours that would have been spent planning, shopping, prepping, and cooking.

Take advantage of The SSMART Program, follow these 4 easy steps:
1. Complete your Menu Selection Sheet
2. Return your selections to your school
3. Conveniently pick up your entrees for the week at your child's school
4. Enjoy your Super Suppers and extra time throughout the week

Super Suppers is proud to partner with your child's school and offer you another SSMART choice for your family. Our staff welcomes your business and looks forward to a long relationship with your family.

Frequently Asked Questions

- Q: May I customize my entree to suit my family's needs?**
A: Yes. You will simply add your specific needs to the "Additional Comments" section on your Menu Selection Sheet. Requests might include:
- Please have onions cut of "Chicken Chili Enchiladas."
- Please do not add salt to any of my entree selections.
- Q: Are the recipes nutritionally sound?**
A: Yes. All Super Suppers' recipes are developed with ZERO trans fat. Please review the nutritional information for each entree in the "Menu" tab of our website at www.supersuppersforsyth.com.
- Q: What is the price to have 6 entrees (36 servings) assembled and delivered to my child's school?**
A: You will pay Super Suppers 6-entree price of \$120 plus a \$15 fee for assembly and delivery, which totals \$135 (plus tax). That is equivalent to around \$3.00 per serving.
- Q: How long will I be able to have my entree in my car?**
A: The entrees are prepared to be taken home directly after delivery and put into your freezer.
- Q: What methods are available for placing my SSMART order?**
A: There are several options:
- You may have your Menu Selection Sheets with payment in the designated area at your school.
- You may fax your Menu Selection Sheet with your credit card information to Tracy Jackson at 404-806-0626.
- You may "submit" your menu selections online at www.supersuppersforsyth.com by choosing "Sign up Now" from the tabs at the top of the page. You will be asked all relevant information and will need to pay by credit card. Simply select your school's name, which is listed in the sidebar on the day of the week that Super Suppers delivers to your school. PLEASE NOTE THAT THE DAY YOU SELECT IS THE DAY THE DELIVERY WILL OCCUR. NOT THE DAY THE ORDER IS PLACED.
- Q: Where do I get additional and/or replacement Menu Selection Sheets?**
A: There is a designated area in the lobby of your school that has additional Menu Selection Sheets for your convenience.
- Q: What happens to my entree if my child is not at school at the time of delivery?**
A: If for any reason you are unable to be present at the time of delivery, we suggest you consider in-store assembly or make a note on your Menu Selection Sheet that you plan to "pick up" your entree at the store. By picking up your order, your school still receives the 15% donation for that order. If it is an unforeseen absence, please contact Tracy Jackson at 404-822-8024.
- Q: What day do you deliver to my school and when are my Menu Selection Sheets due for the following week's delivery?**
A: A "delivery schedule" is included in the monthly information package. Your Menu Selection Sheets are due each week on the same day Super Suppers delivers. The order you place at the week's delivery will be delivered the next day next week.
- Q: How much money is being contributed to my child's school?**
A: 3% of every order is donated to your child's school. This is calculated on the pre-tax and pre-delivery dollar. For example, for every SSMART order you place, your child's school will receive \$3.75 for that order (3% of \$125).
- Q: Does Super Suppers offer a satisfaction guarantee?**
A: Super Suppers is so confident in our product and service that we are happy to offer 100% satisfaction. If for any reason, you are not completely satisfied with an entree, please let us know and we will replace the entree with another of your choosing.
- Q: How are my entree packages and are cooking instructions provided?**
A: Your entrees will be individually frozen and delivered in an insulated bag to aid in maintaining the temperature. Each entree is labeled with the proper cooking instructions and your Culinary Assistant will be available during delivery to answer any questions. Super Suppers will provide the bag at no additional charge for your first delivery and we simply ask that you return the bag for future deliveries. If you wish to keep the bag for other uses, let us know and we will provide you bags at each delivery for a small fee.
